Principal's Note

Remembrance Day

On 11 November 1918, the guns of the Western Front fell silent after four years of continuous warfare. With their armies retreating and close to collapse, German leaders signed an Armistice, bringing to an end the First World War. Each year on this day Australians remember those who died or suffered in all wars and armed conflicts.

Last Monday our students walked down to commemorate Remembrance Day and lay a wreath at the Junee Cenotaph. I would like to commend our students on the way they conducted themselves while paying their respects to those who served our country and continue to do so.

Proud and Deadly Awards

Last week, some of our students would have received invitations to attend the Proud and Deadly Awards. These awards are presented in partnership between the Department of Education and local and Riverina Regional Aboriginal Education Consultative Group (AECG) in celebration and recognition of the achievement and excellence of Aboriginal students from Kindergarten to Year 12 in Public Education. This year the award ceremony is being held at the Wagga Wagga Civic Theatre on Tuesday 26th November at 10:15am. Students are to attend using private transport and parents are encouraged to come and watch their child receive their prestigious awards. If you are unable to attend and your child requires transport to the event please contact the school as soon as possible.

Christmas on Broadway

This year we will join other schools and the community for the annual 'Christmas on Broadway' which is being held on Saturday 23rd November. All students have been busy practising a set repertoire of songs which will be performed on the evening. We hope to see as many students and families as possible to represent our school and enjoy the festivities on the night. Students have been asked to wear Christmas clothing. Mrs Leonard has already sent home a note detailing more information about the event.

2019 School Planning

Now that we have our anticipated funding for next year and a prediction of student enrolments, we will be able

to start planning class structures and staffing for 2019. This is only a planning stage, it is important to point out that these plans can be subject to change depending on our actual student enrolment numbers for next year. Our teachers know our students very well, and much discussion is had around this aspect of school planning in staff meetings and at an executive level. Once we have confirmed these arrangements, we will provide this information to families as soon as possible to ensure a smooth transition for all of our students.

Enjoy the remainder of your week!

Kind Regards,

Tracy Delaney

News from the Classroom

Halfway through our final term for 2019! Guguburra is still a hive of activity. So far this term we have completed swim school, had a trip to Wagga for Chords and decorated bags to be used at Christmas on Broadway.

In writing, we are revising the main texts types and looking more closely at the types of language to use when we are writing each of these. We are reading a number of John Fardell books- Manfred the Baddie is a favourite at the moment. As a follow up to this we will try to design our own ingenious machines and use some of his fantastic 'Wow words' in our own writing.

In independent reading, many students are developing their personal favourite chapter book authors and series. Some of our series recommendations include WeirDo by Ahn Do, Bad Guy by Aaron Blabey, Captain Underpants by Dav Pilkey and Andy Griffith's Treehouse books. Many students are also enjoying expanding their knowledge with Non-fiction books. If Santa is listening Ms. Fixter says that Guguburra students would really love some good books for Christmas, so they can keep up their reading over the holidays. A town library card is also a great idea!

One of the strategies we have been working on in maths is the split strategy for addition and subtraction. If you don't know what this is, Guguburra students will be happy to explain.

We are showing how well our PBL lessons have been working as we are staying focused on being Respectful, Responsible and Successful even when we have some major renovations happening just outside our class. The work for our playground redevelopment is moving ahead and it is hard to tell if the students or staff are more excited about the mud kitchens.

PBL

This fortnights PBL focus is 'Be Safe'. We currently have several areas of building work happening in the school and students are having to be responsible and use those areas safely. We will review our playground supervision processes when the areas are completed to allow students to enjoy our upgraded playground safely and to ensure appropriate teacher supervision. Being safe is also a value student's use in the classroom and outside the school. With the holidays fast approaching it is important for students to remember how to be safe when riding bikes and scooters and swimming in pools and rivers. We will talk to students about the things they need to be aware of to keep safe in the holidays.

Uniforms

Year 7, 2020 – Sample shirts are available to try on at Junee High School for sizing. Full payments must be received when ordering, as no shirts will be held in stock. Polo shirts are \$30.00 each. Order forms can be picked up at Junee Public School or Junee High School- please complete the form and **return to Junee High School**.

Awards

P & C News

The P & C would like to remind parents and students that the school canteen is open for:

- Afternoon Recess (1:40pm-1:50pm) **every day**
- Lunch (11:30am) **Monday and Friday**
- Please place order in the morning ☺

Are you ready for the Colour Run 4 Fun?

The School Run4Fun Colour Explosion will be held on **December 13, 2019**. The day's focus is on fun and fitness with the added benefit of raising funds for our school's P&C. The colour powder used in our event has been sourced direct from India, the home of Holi Powder. It is made of high quality corn starch and permitted food colours. It's non-toxic, biodegradable, skin safe and environmentally friendly.

Last term, students received a Sponsorship Form with instructions on how to raise money and order prizes. Students can obtain donations in cash using the Sponsorship Form together with online fundraising. Students who raise as little as \$10 or more will receive an incentive prize for their efforts. But why not aim higher? You have the option to choose up to five (5) prizes!

Student Profile Page

Create a Student Profile Page at www.myprofilepage.com.au which is unique to you. There are also some great features like recording your sponsorships (cash donations) and selecting your prize goal. Well done to those students who have already done this! You can also register for online fundraising. It's the easiest way to help your child raise money and to reach your fundraising goal sooner. Ask all your family and friends by sharing it on your parent/guardians Facebook page.

How to Order Prizes?

To reward your child for their efforts, they will receive incentive prizes based on the total amount of sponsorship dollars raised in cash or online. Please note all donations need to be finalized **TODAY FRIDAY 22 NOVEMBER**.

After **TODAY** November 22, you have two options to place your prize order:

1. Login or create a Student Profile Page at www.myprofilepage.com.au. Once the fundraiser has finished, click the 'ORDER MY PRIZE' button and then confirm your total amount raised and order your prize/s, **OR**
2. Complete the back page of the Sponsorship Form you received in term 3 and return to the school.

Student prizes will be delivered before the end of the school year.

Thank you in advance for your participation, and get ready for a BLAST OF COLOUR! Happy fundraising!

Miss Patalia
(Event coordinator on behalf of P&C)

The simplest way

... to pack a picnic.

Summer is a great time to enjoy picnics with friends and family. We find it easiest to pack some different kinds of breads and crackers such as baguettes, wholemeal rolls, Lebanese bread, rice cakes and corn thins in the picnic basket and then a range of fillings in an esky for everyone to create their own lunch. Try these delicious fillings:

- [Hummus](#)
- [Kale and basil pesto](#)
- [Guacamole](#)
- Different types of cheese (cheddar, labneh, cream cheese)
- Sliced veg (e.g. tomato, capsicum, beetroot, lettuce)
- BBQ chicken

healthylunchbox.com.au

The simplest way

... to be SunSmart this summer.

Consider UV levels when planning your summer activities.

When UV is 3 or above you need to **PROTECT** your skin in 5 ways:

- **Slip** on sun-protective clothing
- **Slop** on SPF 30 sunscreen or higher
- **Slap** on a broad-brimmed, bucket or legionnaire hat
- **Seek** shade
- **Slide** on some wrap-around sunglasses

Download the free SunSmart app to know what the UV levels are in your location to help plan your summer fun.

SunSmart App is available on the App Store and Google Play

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au

Remember: DRINK WATER EVERY DAY!
