Principal’s Note

We have certainly started the term by ‘hitting the ground running’!

Swimming Carnival

Last Tuesday, we held our 2020 School Swimming Carnival. I was thrilled to witness great sportsmanship amongst our students and the positive attitude of all those who participated on the day. Thank you to our Junee Public School families and friends who attended, supported our students and helped on the day. We also extend our thanks to the Junee High School students who came along and helped with timekeeping and moral support. We also appreciated the great efforts of Mr Graham Sims and the staff at the Junee Recreation & Aquatic Centre, without their help we would be lost. Mr Cox did a fabulous job in organising the carnival this year and was supported by Mrs Leonard and a great team of ‘rainbow dressed’ teachers and school learning support officers pulling together to ensure the event ran smoothly and everyone enjoyed their day. We even managed to run through our events in record time. Our Parent and Citizen members did a great job with catering, keeping us all fed and watered. We have some great photos of the day included in this edition of the newsletter. Overall, I have received some very positive feedback about the day and everyone should be congratulated on their efforts. Congratulation to our champion swimmers and good luck as they enter the next round of competition.

Family Meet and Greet Information Evening

We would like to thank everyone who attended our Family Meet and Greet Information Evening. We were thrilled to have so many people attend and our are numbers were up from last year. It was an opportunity for students and their families to talk with staff in an informal setting, enjoy a BBQ dinner, the pool and slide. Thank you to Mr Matt Stubbs for assisting with the cooking of the BBQ, Mrs Sam Bampton for the preparation of the scrumptious fruit platter and coleslaw and the staff for their attendance and ongoing support. The evening had a happy and relaxed atmosphere and we have received very positive feedback which we will use to offer an even better evening next year. Some of the feedback from parents has been included below.

Leadership Induction Assembly

Thank you to everyone who made it to the Leadership Induction Assembly. I think you’ll all agree that the assembly was a wonderful opportunity to acknowledge and celebrate our new leaders for 2020. I extend my congratulations to our 2020 student leadership team and I look forward to working alongside such a great group of individuals. Thank you to Mr Scott Frasier and our past leaders, Madison, Layla and Bobby for taking part in our Induction Assembly proceedings and supporting our new leadership team.

Enjoy the remainder of your week!

Kind regards,

Tracy Delaney
News from the Classroom

Guguburra has had a wonderful start to 2020. We have all settled into our new class beautifully, and still managed to frequently catch up with Miss O to tell her all our news.

The swimming carnival has been a highlight, with four of our students taking the plunge to compete in races. Their determination and sportsmanship made us all very proud. We enjoyed swimming in the program pool and are looking forward to water confidence activities later in the term.

While we have been learning the routines of a new class, we have welcomed three new students. It has been fantastic to see how well Jasey, Harmoney and Kennedy have settled into Junee Public School. It has also been wonderful to watch how the students of Guguburra have welcomed these new students and the kindness they have shown in helping them become part of our class.

Our morning literacy sessions have been busy with lots of reading, writing, words to learn, L3 activities, songs and many stories. In mathematics we have been concentrating on numbers before and after, breaking numbers into tens and ones, and practicing the days of the week and months of the year. As always the support from our wonderful SLGO's Ms May and Ms Turton have made our days much more successful.

We have had time for creative play activities some afternoons. These activities help to develop problem solving skills, creativity and social skills. They are also a lot of fun!

PBL

Each fortnight staff review the behaviour data collected on Sentral. This data is analysed and used to choose a teaching focus. Explicit teaching of expected behaviours underpins or PBL processes and reminds students of behaviour expected of them in all settings. This fortnight our PBL focus is Hands and feet to self. Students are reminded of why it is important to keep their hands and feet to themselves and the way it supports a friendly and calm learning and play environment at school. Students are taught alternate ways to gain peer attention and strategies they can use when solving problems.

The Sports Report (by Mr Cox)

Last week we held our annual school swimming carnival at the Junee Aquatic Centre. It was so pleasing to see the amount of our students who were dressed up and participating in competitive and novelty events throughout the day. Our participation rate is continuing to increase at all carnivals which is a testament to our students willingness to get in and have a go! All students are to be commended on their behaviour, enthusiasm and house spirit throughout the day. A special congratulations to the following students who took home special trophies on the day.
Champions

**Junior Boys:** Harrison

**Junior Girls:** Matilda

**11 Years Boys:** Jack

**11 Years Girls:** Talia-Rose

**Senior Boys:** Ethan

**Senior Girls:** Maggie

**Boys Encouragement Award:** Levi

**Girls Encouragement Award:** Pheobe

We are looking to get a head start on our sporting teams in 2020. Boys and girls soccer teams have begun to nominate themselves and have started training with Nelson and Mr Harris while our boys cricket side has been hard at working and refining their skills. Both sides will be given further information when PSSA draws are released.

P & C News

The P&C is pleased to announce the uniform shop will be open every Monday, Wednesday and Friday from 8.45-9.30am commencing next week. The office will be able to assist with emergency uniform requirements outside these times but it is preferred if parents can organise uniform ordering when the shop is open.

The Canteen reopened this week. Please note that canteen will not be opening Thursday recesses at this stage due to a lack of volunteers. Canteen operating times are as follows:
- Monday lunch and recess
- Tuesday recess
- Wednesday recess
- Friday lunch and recess

The P&C would like to invite everyone to our first meeting for this year to be held on Monday 2 March from 5-5.30pm in the Community Room. Come along and see how you can help our school and students!

CommBank Bushfire Support

In light of the recent devastating bushfires, we want to share how we can help. Applications are now open for Bushfire Recovery Grants to help rebuild community facilities, schools, fire brigades and replace lost or damaged equipment. Please encourage your local community groups to apply by 31 March 2020, for grants of up to $50,000. If you’re a CommBank customer and you’ve been affected, we can also give you a hand with your finances. commbank.com.au/bushfirerecovery

2020 Treetop Savers Adventure.

This year, the Dollarmites (Prue, Addy, Span, Lucas and Pat) are ready to take children on a Treetop Savers adventure to the enchanted Treehouse of Savings. Here they’ll discover lots of fun financial activities and rewards for saving.

Many surveyed parents think it’s important to make learning about money engaging and to reward good saving behaviour*. And this year, we’re changing our School Banking rewards for the better. We’re introducing new eco-friendly and reusable rewards, alongside other rewards that encourage creativity, as well as indoor and outdoor play.

Activity 1: Add up Addy’s pocket money
Addy gets $2 pocket money every time she does a job in the Treehouse of Savings. If she does 9 jobs, how much will she have earned?
A: $_____.

Activity 2: Find and count how many frogs and butterflies you can see
A: _______ Frogs and _______ Butterflies.

Term 1 Treetop Savers rewards

When your child makes 10 deposits with School Banking, they can redeem one of our Treetop Savers rewards. Term 1 rewards are available now, while stocks last.

Any questions about the School Banking program? Ask your School Banking Co-ordinator for a parent’s pack or visit commbank.com.au/schoolbanking
