■ 2023 ■ Term 3 ■ Weeks 9 & 10 ■ Newsletter

Welcome to Week 10!

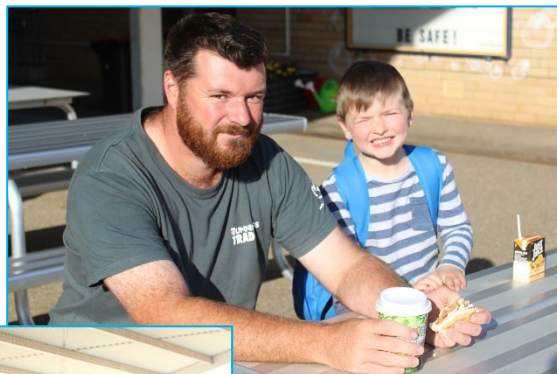

We had a fantastic morning last Friday as we celebrated Father's Day, in conjunction with Footy Colours Day, at our family BBQ Breakfast. It was wonderful to see so many of our families in attendance, enjoying bacon and egg rolls, beautiful coffee and a kick of the footy on the oval.

This year we have made a commitment to reengage with our community after the enforced COVID lock outs in recent times. We have held

many well attended community events including Education Week, Book Week, Mother's and Father's Days, and our annual sports carnivals. We also had very well supported parent/carer and teacher learning discussions at the end of term 2 to discuss students' academic progress and wellbeing. We have had wonderful attendance at our fortnightly student award assemblies.

For our students we have exciting PBL reward days each term as well as fantastic excursions for all students. Our excursions next term will be amazing experiences!

Next term our only main activities are the Year 6 Farewell and our Presentation Day Ceremony. We hope that they will be well attended events.

Education

Week 9

Karli - Gurawung

Karli is a hard-working member of the Gurawung classroom. She is a quiet and dedicated learner, and she consistently strives to do her best in all subject areas. Karli is polite and respectful, and she always gets along with her peers. Karli is always willing to assist, both in the classroom and playground. Well done Karli and keep up the fantastic learning and engagement.

Week 10

Dre - Maliyan

Dre has become a settled and engaged learner and he has been completing more complex and challenging learning tasks this term. Dre is always polite and respectful, and he adheres to school expectations, both in class and on the playground. Dre mixes appropriately with his peers in the playground. Keep up the fantastic efforts throughout Term 4 Dre. Well done!

Positive Behaviour for Learning

A PBL message from Mr Harris...

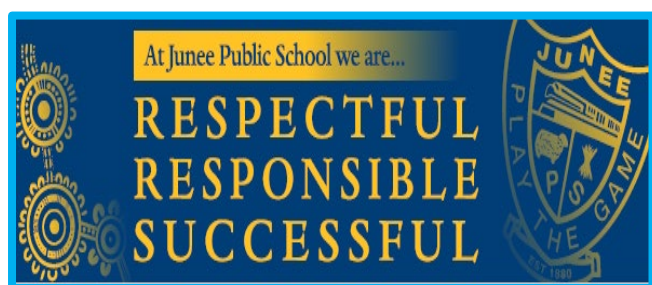

We find ourselves at the end of another term and Week 10 has certainly been unseasonably warm. The warmer weather has been a great reminder that we will soon need our hats to help protect us from the heat and the sun during Term 4. Please use the holiday break to track down your school hat, ready for the upcoming summer season.

As a reward for all the wonderful learning that has taken place within our classrooms, yesterday we had our PBL reward day. We had an extended playtime at the end of the day and cooled off with a refreshing ice block treat. Already the PBL bucket is one-third full, a great start for Term 4. We may need to look at an additional reward activity if the fantastic learning persists.

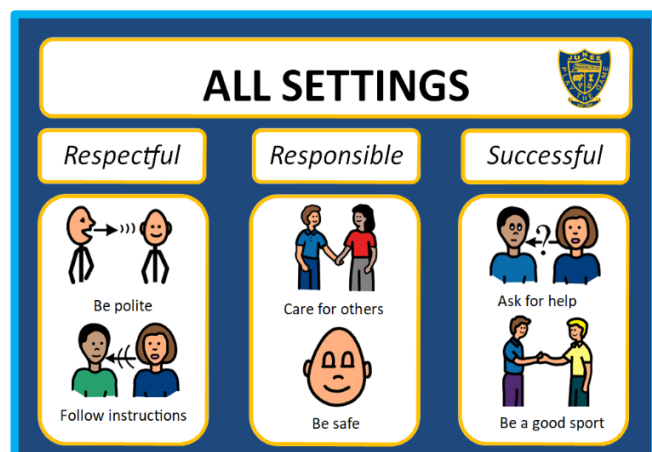

As this is the last week of the term, our PBL focus is **'Be Safe'**. This a message we hope all our families will take with them if they are travelling or just having a relaxing time at home over the holiday break.

Until next term, be safe!

Mr Harris

Thursday 14/12/23 **Year 6 Farewell**

Friday 15/12/23 **Presentation Day Ceremony & last day for students**

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed

Attendance Awards Weeks 6-10

This week, students with greater than 90% attendance for Weeks 6-10 this term, received attendance awards and treats. Overall, our attendance during this period has been very pleasing, despite illness impacting a few classes. Our K-3 classes have certainly been leading the way.

Congratulations to Irene (Gurawung), who won the 100% attendance raffle. Congratulations to Wambad class who won the class trophy for having the highest attendance percentage.
